Notes to Editors

Freeplay Energy plc is the original and leading global brand of clean, dependable energy products. Freeplay Energy's clean, patented technology harnesses human, solar and rechargeable energy and converts it into electricity to power unique portable, consumer products replacing conventional disposable battery-powered systems that are environmentally toxic and expensive. The current product range includes radios, torches, lanterns, mobile phone chargers and standalone foot powered generators. Freeplay Energy's "Lifeline" radio is distributed throughout the developing world by The Freeplay Foundation ([www.freeplayfoundation.org](http://www.freeplayfoundation.org)) and other AID and Humanitarian organisations such as Unicef and other United Nations' agencies.
